

Fun Fun Daycare Re-Opening: Health & Safety Guidelines

We are committed to providing our children, families, and staff with a safe and friendly environment at FFDC especially during this critical time. As we begin to re-open our facility, we are guided by the Centers for Disease Control (CDC), Maryland State Department of Education (MSDE), and the Office of Child Care (OCC) to provide enhanced protocols ensuring the health and safety within our facility. Many of our operational procedures will be adjusted including:

New Entrance Protocols:

- Entrance area will be set up for temperature checks and health screenings at drop-off time. Unfortunately, no parents or other visitors will be permitted inside the facility until further notice.
- We kindly ask that no more than two children be dropped off/picked up at the same time as we try to maintain social distancing between each child and parent. We understand that this will prolong the drop off and pick up time, and we greatly appreciate your patience and cooperation.

Strictly Enforced Sick Policy:

- Children and staff will not be allowed to enter the facility if they show a fever of 100.4 °F (38 °C) or higher.
- Children will not be allowed to enter without a doctor's note if they are showing any one or more of the following COVID-19 symptoms:
 - Fever, skin rash, difficulty breathing, vomiting, diarrhea
